

# Healthy Growth & Development

## Task Force Meeting Minutes

April 12<sup>th</sup>, 2016

Participants present: Renee Beeman, RN (CHD) Jessica Bell (Catholic Charities)

Mayor Hohenfeldt

1. Agenda Item 1 **Developmental Screening**

Action Item: How can we increase our reach and get more ASQ screenings completed on Cudahy's children?

\*Renee will be doing a presentation at the Cudahy Family Library for two of the youth groups to educate and promote ASQ screening to parents, and hopefully screen the children present.

\*Will be mentioned in the Cudahy Newsletter

2. Agenda Item 2 **Promote Breastfeeding in the Cudahy Community**

Action Item:

\*All items are ready for Cudahy Library breastfeeding friendly site

\*Flier and information on Certified Lactation Counselor services available will be in the Cudahy Newsletter

3. Agenda Item 3 **Light it up Blue for Autism Awareness**

Action Item: Cudahy health department and water utility are lit up blue again this year.

4. Agenda Item 4 **Enhance life skills in youth and Positive Parenting**

Action Item: Discussion about how this is a topic that hasn't been discussed much in past meetings. Discussed current curriculum being very outdated, barriers regarding time available during the school day to implement changes to curriculum.

### Summary of Action Plan

Action Item	Status Update
Karen Erickson will send appropriate ASQ screenings home with enrolled children to be completed, and include ASQ in new enrollment packets.	Karen to complete, in progress
Library presentation to promote ASQ screenings	Renee, RN to complete. Scheduled with library.
Explore possibility of iPad in clinic waiting room for ASQ screenings (locked docking station, only have access to ASQ, etc...)	Renee will work with City of Cudahy IT department

Renee, RN will engage local childcare centers and worksites to become breastfeeding friendly.	On-going Process, Renee, RN to complete
Promote Positive Parenting in the Cudahy Community (suggestions of booth at Farmer's Market, facebook page,	On-going Process. Facebook posts have been successful the past 2 weeks.
